

AGRICULTURE & RURAL BUSINESS

part of the landscape

We have an enviable reputation throughout the south west and beyond for dealing with all legal aspects of agriculture, land use and rural business.

Our approach

With our first-hand practical knowledge and wealth of experience we are able to provide specialist expertise in the following areas:

- Farm & land sales/purchases
- Rural property sales/purchases
- Farm business tenancies
- Agricultural holdings act tenancies
- Arbitrations and tribunal hearings
- Licences, wayleaves and easements
- Access rights
- Boundary disputes
- Partnership agreements
- Tax and succession planning
- Sporting and fishing rights
- Equine law
- Charity law

Our team

Our team, consisting of dedicated agricultural lawyers, are able to combine specialist legal knowledge with an understanding of the needs, problems and opportunities of a broad rural community. With a working knowledge of the diversification issues now being experienced, our team is able to offer practical focused solutions to specific matters.
